WHO WE ARE

About Phantom Grey Dynamic

Phantom Grey Dynamic Ltd. is a multidisciplinary consultancy firm in the building industry, offering end-to-end architectural and interior design services. The company specializes in both traditional and cladding interior finishing, supported by a robust in-house team of structural engineers, electrical and mechanical service experts, and quantity surveyors — ensuring holistic, well-informed design and cost-effective solutions.

Established in Nigeria in 2015 (RC No. 1312698), Phantom Grey is proudly 100% Nigerian-owned and operated, led by a team of highly trained and experienced professionals and technical personnel.

Since inception, the directors have actively participated in every facet of building and construction consultancy — from project initiation and conceptual design to detailed working drawings, supervision, and full-scale project management.

THE DEVELOPMENT

The Project & Why Invest

Shafa's Residences by Phantom Grey is an exclusive development thoughtfully positioned in the tranquil and picturesque enclave of Katampe, Abuja. Designed with the singular goal of delighting its residents, every inch of the project reflects meticulous craftsmanship and unwavering dedication to excellence — hallmarks of Phantom Grey's signature style.

Why Invest

- Prime Katampe address — 5 minutes to Maitama, 10 minutes to the CBD
- Round-the-clock professional security
- Centralized power and water supply
- Expert on-site management of shared spaces
- Positioned for strong, sustained residential demand

MARKET OUTLOOK

"Steady cash flow and robust value appreciation, backed by one of Abuja's most sought-after districts."

— PHANTOM GREY RESEARCH

LOCATION

Location & Accessibility

Strategically nestled along Paradise Boulevard in the prestigious Katampe District, the estate offers exceptional connectivity — just 5 minutes to Maitama District and 10 minutes to the Central Business District (CBD), with seamless access to other major areas across Abuja.

Why Katampe

- Bordered by Maitama, Mabushi and Gwarinpa, with the Murtala Mohammed Expressway (ONEX) giving fast access across the city
- Set on elevated, low-density ground near Katampe Hill, one of the highest points in the Federal Capital Territory
- Within Abuja's diplomatic-adjacent corridor — a quiet, heavily secured residential setting close to embassies and government zones

Approximate estate location — Paradise Boulevard, Katampe District

LAYOUT

Site Plan

- Two residential blocks set around shared internal circulation and parking
- Landscaped perimeter with dedicated pedestrian walkways
- Single controlled vehicular access point off the main road

Indicative site layout – subject to final survey and approved building plans.
